Deer Island Treatment Plant

MWRA's Deer Island Wastewater Treatment Plant is the centerpiece of MWRA's \$2.8 billion program to protect Boston Harbor against pollution from metropolitan Boston's sewer systems.

The plant removes human, household, commercial and industrial pollutants from wastewater that originates in homes and businesses in 43 communities. In compliance with all federal and state environmental standards and subject to the precedent setting discharge permit issued for the plant by EPA and DEP, its treated wastewater is released through a deep rock, under harbor tunnel 9.5 miles out into Massachusetts Bay.

Public Access

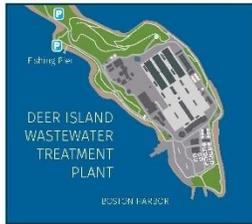

Deer Island features five miles of public walkways and trails for walking, jogging, sightseeing, picnicking, fishing and bicycling. The public access area is open to the public year-round, from sunrise to sunset. At Deer Island you'll also find:

- 60 acres of open space, including 2.6 miles of paved handicapped accessible perimeter path
- 10 landscaped overlooks with interpretive signage
- Dramatic views of the Boston skyline and Harbor Islands
- Spectacular close-up of airport Landings and takeoffs
- Elevated look-in location to learn about the treatment plant
- An Irish Memorial honoring those that perished in the Great Hunger
- A new Fishing Pier with additional parking
- Low maintenance native plant species similar to those on other Harbor Islands

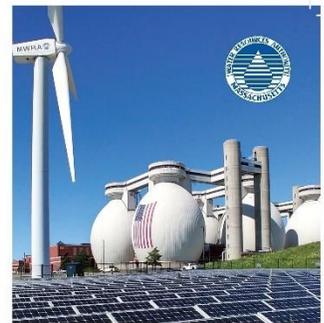

Additional Information

MWRA offers a wide variety of informational and educational materials on its website about the region's drinking water and wastewater systems. To learn more, visit www.mwra.com.

How To Report an Issue Or An Odor Complaint

Visitors are encouraged to report anything out of the ordinary on public access to the Deer Island Hotline by telephone or email.

GIVE LOCATION OF THE ISSUES

Please Be Sure To:

- Call 911 if it is an emergency

The Town of Winthrop is currently seeking community members interested in serving on the Winthrop Cultural Council. There are at least 2 vacancies on the council that need to be filled.

The Winthrop Cultural Council is part of a grass-roots network of 329 local councils that serve every city and town in the state. The program is the largest, most decentralized one of its kind in the United States. The state legislature provides an annual appropriation to the Massachusetts Cultural Council, which then allocates funds to each local council.

"The volunteers on the Winthrop Cultural Council are a great group of people" said council chair Joanne Hillman. "We really enjoy supporting arts and culture in Winthrop and look forward to welcoming new members to the council."

Previous grants awarded by the council have included support of Music on the Landing, Winthrop Art Association, and programming at the Winthrop Public Library to name a few.

The Winthrop Cultural Council generally meets the fourth Tuesday of the month. Anyone interested in serving on the council should contact Joanne Hillman at 617-721-4162 or joanneshillman@gmail.com
