STREET SWEEPING NEXT WEEK

The Town of Winthrop 2025 Street Sweeping Schedule

- April 14th through 18th (week of the 14th)
- May 19th through 23th (week of the 19th)
- June 23th through 27th (week of the 23rd)
- July 21st through 25th (week of the 21st)
- August 25th through 29th (week of the 25th)
- September 22nd through 26th (week of the 22nd)
- October 27th through 31st (week of the 27th)

The Town of Winthrop conducts Street Sweeping operations on the last full week of the month (last week with a Friday) from April through October, between 7 am and 4 pm on the day of a street's trash collection. If there is a holiday the week street sweeping typically occurs, street sweeping is done one week early. Town ordinance prohibits parking in a manner that impedes the street sweeper. Violations of the street sweeping ordinance carry a \$40 fine, and your vehicle can be towed. Winthrop Shore Drive is a DCR roadway. The DCR has a street sweeping schedule independent of the Town of Winthrop Schedule. For more information, visit: www.mass.gov/dcr

APPLICATIONS ARE OPEN FOR WINTHROP POLICE DEPARTMENT'S 6TH ANNUAL YOUTH POLICE ACADEMY!

The Academy is a great opportunity for the young people in our community to experience the various duties of law enforcement agencies through classroom training, hands-on police tactics, physical training, special events and more.

Topics covered by the program include criminal law and procedure, CPR/first responder training, arrest procedures, K9 demonstrations and more. See more information about the program [here](#).

The course is open to students grades 7-9 and will run from Monday, Aug. 4 to Friday, Aug. 8.

Apply early! Only 20 participants are selected for the program, so be sure to submit your application as soon as possible. Pick up an application in the police station front lobby or access the application [here](#).

Deer Island Treatment Plant

MWRA's Deer Island Wastewater Treatment Plant is the centerpiece of MWRA's \$2.8 billion program to protect Boston Harbor against pollution from metropolitan Boston's sewer systems.

The plant removes human, household, commercial and industrial pollutants from wastewater that originates in homes and businesses in 43 communities. In compliance with all federal and state environmental standards and subject to the precedent setting discharge permit issued for the plant by EPA and DEP, its treated wastewater is released through a deep rock, under harbor tunnel 9.5 miles out into Massachusetts Bay.

Public Access

Deer Island features five miles of public walkways and trails for walking, jogging, sightseeing, picnicking, fishing and bicycling. The public access area is open to the public year-round, from sunrise to sunset. At Deer Island you'll also find:

- 60 acres of open space, including 24 miles of paved handicapped accessible perimeter path
- 10 landscaped overlooks with interpretive signage
- Dramatic views of the Boston skyline and Harbor Islands
- Spectacular close-up of airport landings and takeoffs
- Elevated look-in location to learn about the treatment plant
- An Irish Memorial honoring those that perished in the Great Hunger
- A new Fishing Pier with additional parking
- Low maintenance native plant species similar to those on other Harbor Islands

Additional Information

MWRA offers a wide variety of informational and educational materials on its website about the region's drinking water and wastewater systems. To learn more, visit www.mwra.com.

LOOK FOR MUTT MITTS
The Winthrop Dog Officer routinely patrols the area.

Public Access Area Rules
Dog owners are reminded that dogs must be kept on a leash at all times and to clean up after their dogs. Mutt Mitts are available.

Alcoholic beverages, camping, open flames, motorized or self-propelled vehicles (except motorized wheelchairs) and skateboards are prohibited. At the present time, fishing is permitted along the shoreline of the Public Access area, as well as from the fishing pier.

WALK OR BIK
Visitors are asked to stay on trails and to stay off vegetated areas. Bicyclists are advised to wear a helmet, stay only on paved trails and to respect pedestrians. Bicyclists are reminded to be courteous, keep right and to not impede other trail users. There is no admittance in the fenced-off wastewater treatment facility without prior approval.

Security

The Deer Island Public Access Area is patrolled regularly by MWRA. The Massachusetts State Police, Environmental Police and the Winthrop Police also patrol the area. In addition, the public access area is monitored by video cameras supported by a 24-hour command center. Emergency call boxes and additional cameras are installed around the park.

How To Report An Issue Or An Odor Complaint

As Deer Island's closest neighbors, Winthrop residents are apt to notice anything unusual or odors that might be coming from the plant. The Deer Island Hotline is staffed 24 hours a day, seven days a week. Although our Certified Wastewater Treatment Plant Operators continuously monitor the treatment process and are trained to respond quickly to odor-producing problems, they need to hear from you. Visitors are encouraged to report anything out of the ordinary on public access to the Deer Island Hotline by telephone or email.

Please Be Sure To:

- Call 911 if it is an emergency
- Report the issue or the odor as soon as possible
- Please include the location and time.

National Park

Deer Island, along with Nut Island in Quincy, became part of the Boston Harbor Islands National Park Area through an Act of Congress. To learn more, visit www.bostonharborislands.org

Deer Island Tour Program
Public tours of the treatment plant are given during normal business hours. These fascinating tours explain the treatment plant's role in the transformation of Boston Harbor from the dirtiest harbor in America to one of the cleanest.

Advance reservations are required. Large groups should call well in advance. For more information or to book a tour, please call 617 660 7607.

ADOPT A TREE

The Town of Winthrop has established a tree adoption program. This program pairs young trees with volunteers who will supply regular watering, especially in occasions of drought.

The goal of this program is to increase the tree canopy of the Town of Winthrop nurturing young trees in a manner that may increase their chances of survival and reaching their full potential. If you have questions regarding this program and its requirements, please contact the Tree Warden (tom.derderian@comcast.net).
