TOWN OF WINTHROP HYDRANT FLUSHING

The Winthrop Department of Public Works will be conducting fire hydrant flushing throughout the fall of 2025. This essential maintenance work will improve the water quality and allow the Town to assess the condition of the water system and fire hydrants. In the area of hydrant flushing, customers may experience discoloration or low pressure. These conditions are temporary and normal water service will return soon after flushing. If you experience discolored water, please run an outside faucet until water runs clear.

If you have any questions regarding the hydrant flushing program, please contact the Winthrop Department of Public Works at 617-846-1341

The Town of Winthrop 2025 Street Sweeping Schedule

- April 14th through 18th (week of the 14th)
- May 19th through 23th (week of the 19th)
- June 23th through 27th (week of the 23rd)
- July 21st through 25th (week of the 21st)
- August 25th through 29th (week of the 25th)
- September 22nd through 26th (week of the 22nd)
- October 27th through 31st (week of the 27th)

The Town of Winthrop conducts Street Sweeping operations on the last full week of the month (last week with a Friday) from April through October, between 7 am and 4 pm on the day of a street's trash collection. If there is a holiday the week street sweeping typically occurs, street sweeping is done one week early. Town ordinance prohibits parking in a manner that impedes the street sweeper. Violations of the street sweeping ordinance carry a \$40 fine, and your vehicle can be towed. Winthrop Shore Drive is a DCR roadway. The DCR has a street sweeping schedule independent of the Town of Winthrop Schedule. For more information, Visit: www.mass.gov/dcr

WINTHROP CULTURAL COUNCIL SEEKS FUNDING PROPOSALS

Proposals for community-oriented arts, humanities, and science programs are due October 16.

The Winthrop Cultural Council has set an October 16th deadline for organizations, schools, and individuals to apply for grants supporting community cultural activities.

According to LCC spokesperson Susan Gerow, these grants can support a variety of artistic projects and activities in Winthrop including exhibits, festivals, field trips, short-term artist residencies, performances in schools, workshops, and lectures.

The Winthrop Cultural Council is part of a network of 329 Local Cultural Councils (LCCs) serving all 351 cities and towns in the Commonwealth. The LCC Program is the nation's largest grassroots cultural funding network, supporting thousands of community-based projects in the arts, humanities, and sciences every year. The state legislature provides an annual appropriation to Mass Cultural Council, a state agency that allocates funds to each community.

This year, the Winthrop Cultural Council will distribute about \$17,000 in grants.

For local guidelines and complete information on the Winthrop Cultural Council, contact Susan Gerow at sgerow6010@gmail.com. Application forms (available on September 2nd) and more information about the Local Cultural Council Program are available online at www.massculturalcouncil.org.

Town of Winthrop Tree Ordinances

Rules for Planting/Cutting Public Shade Trees

It is the intent of this ordinance to provide standards for the planting, preservation and protection of Public Trees within the Town of Winthrop in order to enhance the quality of life and environment of the Town; to protect habitat for wildlife; to provide a healthy living environment; to protect and increase property values; to combat climate change through carbon sequestration; to reduce the harmful impacts of flooding, noise, pollution, excessive heat, and soil erosion; and to acknowledge the intrinsic value of the mature trees within our community.

Residents must apply for a **Tree Work/Removal permit**, issued by the Tree Warden, prior to:

- Planting of a Public Shade Tree
- Construction within the dripline of a Public Tree.
- Pruning of any Public Tree.

No tree work/removal permit shall be issued unless one of the following conditions exists:

- The tree is dead, diseased, injured, in imminent danger of falling, is causing disruption of public utility service, or poses an imminent threat to pedestrian or vehicular safety.
- The cutting, trimming or removal of the Public Tree is necessary to enhance or benefit the health or condition of other nearby trees.
- There is no alternative to the cutting, trimming or removal of the Public Tree as determined by the Tree Warden.
- Should the aforementioned conditions of health or safety be in question, the matter may be referred to the Tree Committee.

Deer Island Treatment Plant

Winthrop's Deer Island Wastewater Treatment Plant is the centerpiece of MWRA's \$2.8 billion program to protect Boston Harbor against pollution from metropolitan Boston's sewer systems.

The plant removes human, household, commercial and industrial pollutants from wastewater that originates in homes and businesses in its communities. In compliance with all federal and state environmental standards and subject to the precedent setting discharge permit issued for the plant by EPA and DEP, its treated wastewater is released through a deep rock under harbor tunnel 53 miles out into Massachusetts Bay.

Public Access

Deer Island features five miles of public walkways and trails for walking, jogging, sightseeing, picnicking, fishing and bicycling. The public access area is open to the public year-round, from sunrise to sunset. At Deer Island you'll also find:

- 60 acres of open space, including 2.6 miles of paved handicapped accessible perimeter path
- 10 landscaped overlooks with interpretive signage
- Dramatic views of the Boston skyline and Harbor Islands
- Spectacular close-up of airport landings and takeoffs
- Elevated look-in location to learn about the treatment plant
- An Irish Memorial honoring those that perished in the Great Hunger
- A new Fishing Pier with additional parking
- Low maintenance native plant species similar to those on other Harbor Islands

Additional Information

MWRA offers a wide variety of informational and educational materials on its website about the region's drinking water and wastewater systems. To learn more, visit www.mwra.com.

Look for MUTTS!

Dog owners are reminded that dogs must be kept on a leash at all times and to clean up after their dogs. Mutts who are available. The Winthrop Dog Officer routinely patrols the area.

Alcoholic beverages, camping, open flames, motorized or self-propelled vehicles (except motorized wheelchairs) and skateboards are prohibited. At the present time, fishing is permitted along the shoreline of the Public Access area, as well as from the Fishing Pier.

Look to Ride

Visitors are asked to stay on trails and to stay off vegetated areas. Bicyclists are advised to wear a helmet, stay only on paved trails and to respect pedestrians. Bicyclists are reminded to be courteous, keep right and to not impede other trail users. There is no admittance to the fenced-off wastewater treatment facility without prior approval.

Security

The Deer Island Public Access Area is patrolled regularly by MWRA, the Massachusetts State Police, Environmental Police and the Winthrop Police also patrol the area. In addition, the public access area is monitored by video cameras supported by a 24-hour command center. Emergency call boxes and additional cameras are installed around the park.

How to Report An Issue Or An Odor Complaint

As Deer Island's closest neighbors, Winthrop residents are apt to notice anything unusual or odors that might be coming from the plant. The Deer Island Hotline is staffed 24 hours a day, seven days a week. Although our Certified Wastewater Treatment Plant Operators continuously monitor the treatment process and are trained to respond quickly to odor-producing problems, they need to hear from you. Visitors are encouraged to report anything out of the ordinary on public access to the Deer Island Hotline by telephone or email.

One Location for the Odors

Please Be Sure To:

- Call 911 if it is an emergency
- Report the issue or the odor as soon as possible
- Please include the location and time.

National Park

Deer Island, along with Nut Island in Quincy, became part of the Boston Harbor Islands National Park Area through an Act of Congress. To learn more, visit www.bostonharborislands.org.

Deer Island Tour Program

Public tours of the treatment plant are given during normal business hours. These fascinating tours explain the treatment plant's role in the transformation of Boston Harbor from the dirtiest harbor in America to one of the cleanest. Advance reservations are required. Large groups should call well in advance. For more information or to book a tour, please call 617-660-7622.
